# DUES REMAIN SAME

After much maneuvering, discussion, and a few hot words, the resolution regarding dues was defeated.

There were several suggestions of compromise sums but no official action so the present set-up remains the same.

# NOMENCLATURE - $3.00

The members in attendance at the convention voted to set a price of at least $3.00 on the nomenclature list. They gave the board power to charge a higher figure if necessary.

All members in good standing at the end of June will have received a current nomenclature, and all supplements that have been published. After July 1st of this year any member joining will have to purchase the nomenclature at the price of $3.00 per copy. The committee felt that too many nomenclatures were being thrown away and not used when sent free to members. After purchasing a nomenclature a member will receive any new supplements published free of charge as long as their dues are kept current. Current members who joined prior to July 1st will receive the supplements at no cost as long as they keep their membership on a continuous basis.

A nomenclature can be purchased without membership privileges. In this case there will be no supplement furnished without a charge being assessed. Nor will they receive the Seed Pod without joining.

An elder stopped by the parsonage one evening and the minister's young son answered the door. The visitor asked where his father was and the boy said that his father was upstairs praying. He had received a call from another church which paid more money and he was praying for God's will in the matter.

"Where is your mother?" asked the elder.

"Oh, she's in the bedroom packing," he replied.
